Did you know?

Created in 1910 by chef Louis Durand to celebrate the famous Paris-Brest-Paris bicycle race, which led from the centre of Paris past the door of his pastry shop in Maisons-Laffitte to Brittany and back, this decadent dessert is a true French classic. Its circular shape intended to represent the wheel of a bicycle.

PARIS BREST

Serving size: 6 to 8 pax
Requires ordering 4 hours in advance
Price: AED 210

Paris Brest is a true gem. This wheel-shaped pastry is made with a ring of pâte à choux - a puffy hollow pastry, sliced horizontally - and filled with a rich hazelnut mousseline praliné cream, while the upper crust is generously topped with toasted almonds and powdered sugar.

Did you know?

Babà very well represents the art of Neapolitan confectionery: soft, soaked in a flavourful syrup, gourmet and traditional. The Neapolitan dessert is one of the most appreciated sweets. It was invented in France by a Polish king in exile who decided to add rum syrup to the ingredients to make kugelhopf, a traditional Alsatian dessert he loved, less dry.

CHOIX's Mega Rhum Baba is a lovely yeast-risen cake studded with citrus fruits and topped with vanilla Chantilly - made with the best natural vanilla from Madagascar - and soaked in a hot syrup flavoured with citrus, vanilla, dark rum and an assortment of spices.

OPÉRA

Serving size: 5 to 6 pax
Requires ordering 2 hours in advance
Price: AED 170 (1 kg)
(2, 3 & 4 kg available with 24 hours' notice)

Indulge in the Opéra cake, a French pastry creation, combining multiple layers of Joconde sponge cake soaked in coffee, a generous coffee cream, and a rich chocolate ganache. Its shiny glaze makes it an irresistible choice, both elegant and flavorful.

This iconic dessert was created in Paris in the 1950s by the Dalloyau pastry shop, inspired by the Palais Garnier Opera House in Paris, and remains a staple of French gastronomy.
